

# How to assemble your copy

of « Navigating the Space »

1. Print out all the pages. Make sure to double-sided printing on ledger size (17x11) paper.
2. With the cover facing you, stack up the pages in the sequence they were printed. Not all the pages are numbered. Check sequence in the pdf-file if necessary.

3. Fold the stack of papers in half.

4. Use a long-arm or booklet stapler to staple the booklet along the fold.
